**To Our Valued Customers,**

During this challenging time, the well-being of our team members, communities and business partners is a top priority for Darice.

Therefore, on a strictly volunteer basis and with all appropriate safeguards in place, our Ohio Distribution Center and Customer Service Department will remain open.

Our sales team and other employees are working remotely to conduct day-to-day business to continue to serve our customers.

Additionally, over the past several months, we have been taking steps to build inventory in preparation for potential supply-chain disruption due to COVID-19.

We will continue to update you with any changes to our current status and thank you for your ongoing support and partnership.

Please take care of yourself and each other.

Chris Freeman,

President of Darice
